

Affordable Pools: We pride ourselves on being your "GO-TO" team for affordable pool and spa repairs and resurfacing. If you haven't tried us, please give our Plano / Carrollton store a call to get a free estimate, we think you will like what we have to say. Call us at 972-315-2024

We provide affordable swimming pool service and repairs for residential and commercial pools in the North Dallas area including pools located in Collin, Dallas and Denton Counties. Our affordable pool services specialize in regular maintenance as well as expert repairs and resurfacing.

Our skilled pool technicians are trained on the latest pool equipment including pool filters and pumps and we are capable of diagnosing a problem and fixing it very quickly at an affordable price.

A(n) Affordable Pool and Spa also operates a store right outside of Plano off of Hebron Parkway in Carrollton, TX. If you need pool supplies from our store, and you don't have time to stop in, we will be happy to deliver pool supplies right to your door.

In addition to weekly maintenance we also provide pool resurfacing and repair. Our pool repair specialists are available to give you a free estimate for minor repairs all the way up to total pool resurfacing. Our name is 'A Affordable Pool & Spa' and our name says it all.

**972-315-2024**

**A Affordable Pool & Spa Services also offers our valued customer pool and spa maintenance and technical repairs.**

**Our maintenance crew performs weekly cleaning service, one time clean ups, drain cleans, and vacation cleans to pools and spas.**

**Our technical crew is trained to repair and install all brands of pool equipment. Installation of automatic controls, pumps, motors, filters, lights, and heaters on existing systems is our specialty. We perform pool leak detection and repair. We also repair portable and in-ground spas of all brands.**

**Contact us and we will solve your service and repair problems.**
